Edgware Apartments

A brief description of this property:

The selection 1 and 2 bedroom apartments are finished to a high standard and have designer fitted kitchens, complete with dishwasher, washer/dryer, microwave, full refrigerator, oven, hob extractor.

Every apartment is tastefully furnished and has a 42" Flat screen smart TV with integrated wi-fi connection. The under-floor heating and quality carpets provide a warm and comfortable atmosphere and the apartments are extremely well lit and include balconies with stunning views over the surrounding area.

The apartment block is situated amongst a lovely selection of pubs, cafes, restaurants and a mere 3mins walk to the large Boardwalk Shopping center which houses a Sainsbury supermarket for your added convenience. The location is a short (15min) walk to Thames link, Mill Hill Broadway station, connecting to Bedford, Luton and St Albans. Ideally located for clients working in the Elstree and Borehamwood Studios.

What we love about Edgware and surrounds:

A modern and lively location, just a 5 minutes walk from the station, providing links to greater London. Edgware has exquisite continental restaurants and pubs nearby.

There are many parks and places of interest such as Canons park which features the King George V memorial ground. And for the tourist, hotspots include museums and historical architecture to explore.

The large Boardwalk shopping centre, offers over 20 large brand stores, including Sainsbury's and M&S, plus the location offers sports clubs (Saracens Rugby club) and large stadiums such as Wembley and Allianz park for active days out.
