A brief description of this property:

Flying Butler Greenwich benefits from its extremely convenient location and nearby green open spaces. Sitting in-between leafy Greenwich and the city, the area also offers a range of lovely local restaurants and shops. Deptford Bridge DLR station is a **1 minute** walk away. New Cross train line station is less than 10 minutes walk and Greenwich DLR/Train station less 15 minutes offering easy and quick access to central London.

Featuring smart, contemporary designs and high-level interior specification, these apartments offer a fantastic way to live and work in London: fast, simple commute to work, local shops and services, restaurants and places to go in the evening, and green open spaces in this historic and beautiful part of London for your relaxation.

Free Wi-Fi, 42" Smart TVs and Flying Butler Smart Tablets are standard in all the apartments.
